## Premium Gins

### Bombay Sapphire

3.50

Its slightly floral character makes for a refreshing G&T but without a doubt its defining character has to be the fact that it is light and crisp.

### Hendricks

3.95

Cubeb berries, elderflower and chamomile are just some of the botanicals that help give a floral edge and greater depth.

### Gin Mare

3.95

with bold tones of rosemary, thyme, olive and basil included in this botanical line up - it is unusual, savoury but balanced.

### Bulldog

3.50

Slightly spicy on the palate you will find the cinnamon, cardamon and citrus leaving you with a warm finish that lingers.

### Sipsmith

3.75

Sipsmith balances a whole host of aromatic botanicals to create a drink that is dry, spicy and full of character. Each botanical plays its part but a noteworthy few namely being liquorice, coriander, and angelica play distinctive roles.

### Tanqueray

3.50

Using fresh, whole fruits during the distillation process there is a huge depth of character and freshness inherent in Tanqueray. Plenty of juniper in the mix, as well as lovely floral notes is what makes this gin one of the favourites on the market.
